DECISION MINUTES

GENERAL ASSEMBLY
30+31.05.2024

Pannonia Tower Hotel
Parndorf
Austria

AGENDA

1. Welcome speech of the President

The President, Mrs Annette Sjödin, opened the Meeting at 09.00 am and welcomed those present. She thanked KKÖ (AT) for hosting this meeting and offered her sincere apologies for forgetting to hand them the FIFe flag last year. She expressed the wish of the Board that this Assembly, would be a meeting where participants showed mutual respect, were able to compromise and make decisions for the benefit of the cat. She informed the Assembly that since the last General Assembly, four judge colleagues had die: Mr Beat Rettenmund from Argentina, Mr Carl-Kristian Gulsett from Norway, Mr Gianmichele Romano from Italy and Mrs Nurit Pahl from Israel had died. Also, Felis Hungarica's Vice-President, Mr Laca Pal from Hungary had died. She asked everyone to observe a minute of silence. Then, she declared the GA 2024 officially opened. The President said that if anyone wanted matters to be taken to the minutes, this should be explicitly requested and all changes or rewording of proposals (including the page number) should be submitted in writing and sent by email to the General Secretary, in English, German and French. She stated that Lux Cat Club-FFL (LU) submitted a written request to vote by secret ballot for the duration of the entire General Assembly; this request is attached to these Minutes as **Annex 1**.

The President announced that the Vice-President, Mr Veikko Saarela could not attend due to urgent work commitments. He sent his apologies and most sincere regards and wished all participants a good meeting. With reference to article 4.6 of the Statutes, the President confirmed that General Secretary, Mr Eric Reijers and the Vice-Treasurer Mr Karl Preiss would assist her in chairing the meeting.

She informed the Assembly that the Breeding & Registration Commission (BRC) would be represented by Mrs Sarah Johnson, the Disciplinary Commission (DC) by Mrs Anne Paloluoma, the Health & Welfare Commission (HWC) by Mrs Sara Moroni, the Judges & Standards Commission (JSC) by Mrs Donatella Mastrangelo, the Public Relations Commission by Mrs Adéla Justová, the Show Commission (SC) by Mrs Thea Friškovec-Keller, and the Breed Councils by Mrs Nathalie Smits-Peelen (BCA). Then, she stated that the Controllers, Mrs Marie-France Pohl and Mr Jürg Keller-Friškovec were present as was the show calendar administrator (SCA), Mrs Dorte Kaee.

Finally, she said that the coffee, tea and lunch breaks would take place according to schedule and she asked all present to switch off their mobile phones or put them on silent mode.

She gave the floor to the General Secretary, Mr Eric Reijers, who called the Roll of the Delegates.

The General Secretary announced that there were now **36 (thirty-six) Members** present and 4 **(four)** proxies. The total number of votes was **40 (forty)**, the absolute majority was established at **21 (twenty-one)** and the qualified majority ($\frac{3}{4}$) at **30 (thirty)**.

Mr Adrian Dragota asked for the floor on behalf of UFU (UA). He stated that the Russian Member present was not set up according to the rules and should not sit at this table. He had official documents to prove this, which he could read out later. The President answered that this matter would not be dealt with and that FRU was and is a FIFe Member that paid all their fees and had a right to be present and to vote. The General Secretary added that this matter had been dealt with already at the last Board meeting, which could be read by everyone. He stated that the Russian Member was not the only Member to have changed its name and that the argument for the Board was and always had been that the people were the same and he gave several examples. In summary he stated that FIFe did not deal with the internal registrations of Members in their own countries. Lastly, he stated that the name change from ARCCA to FRU had been recommended by the then FIFe Vice-President, this took place at the end of 2017. At the 2018 GA, the Board was discharged of responsibility as it was in all following years. Since that time no one had queried this matter.

Mrs Jurgita Gustaitiene also asked for the floor and explained, at length, that in her opinion the Russian Member was not legitimate and should not sit at this table and she stated this violated the FIFe Statutes. The General Secretary asked both Mr Dragota and Mrs Gustaitiene that if they had such complicated matters and serious reservations, why they did not inform the Board in advance so the Board could have studied this matter. Then he asked Mrs Gustaitiene to state which article of the FIFe Statutes had been violated and stated that there is no mention in the FIFe Statutes and Rules what legal form a Member should have. He asked for a short break to confer with the Board. After a few minutes the General Secretary stated that the Board had decided to minute the protests of Ukraine and Lithuania. Then he stated that the internal registrations of Members was not the Board's or anyone's business and now was not the time to make an in depth and legally founded investigation, what's more, there was no time for this either at this moment. The President took the floor and stated that the Assembly would continue with the agenda.

3. Election of two Scrutineers and three Supervisors for the Minutes of the GA 2024

Before voting started, Mr Preiss explained the voting system and a test round of voting took place. Mr João Noronha proposed Mr Jürg Keller-Friškovec and Mr Krzysztof Czyżkowski as scrutineers. they were duly elected with **38 yes-, 2 no-votes and 0 abstentions**.

Since Mr Keller-Friškovec was a candidate for the position of Treasurer, someone else should take his place when that position would be up for election. Mr João Noronha suggested Mrs Cecilia Wennergren. She was duly elected with **37 yes- votes, 1 no-vote, 1 abstention and 1 missing vote**.

Then Mr João Noronha proposed Mrs Bette Lind as supervisor for the English version, Mrs Marina Renner for the German version and Mrs Stéphanie Dupont for the French version of the 2024 Minutes. There were no other suggestions and these three ladies were elected with **39 yes-, 0 no-votes and 1 abstention**.

4. Drafting of the Minutes

The President stated that article 4.6 of the Statutes indicated that the minutes of the meeting were kept by the General Secretary, Mr Eric Reijers and if needed the Vice-Secretary, Mr Charles Spijker would assist him. There was no need for a vote and the GA agreed.

5. Approval of the Agenda

The President stated that requests had been received from Members for live streaming of the General Assembly. She referred to articles 4.8 and 4.10 of the Statutes and stated the Board had decided to put this to matter to the vote but only for item 21, the proposals. She also stated that this was a statutory matter and needed a qualified majority to be accepted. The vote was **24 yes-, 12 no-votes and 4 abstentions**.

This meant the proposal for live streaming was not carried.

Mrs Anne Veland asked for the floor and stated that NRR wished to make a reservation against this decision and asked it to be minuted.

The President informed the Assembly that proposal 1 from the JSC on raising judges' allowance would move to item 16. Several proposals need to be re-organised but this would happen when we got there.

With these changes, the agenda was approved **38 yes-, 0 no-votes and 2 abstentions**.

6. Approval of the Minutes of the General Assembly 2023 in Tavira (PT)

These Minutes were approved with **39 yes-votes and 1 no-vote**.

15. Elections (Members, who supported candidates, appear behind or below their names)

a) Election of a Treasurer for a period of 3 years

Candidates in alphabetical order:

- **Mr Leopold van de Haterd (NL-Mundikat)** nominated by Mundikat (NL), KKÖ (AT), ÖVEK (AT), ČSCH-SCHK (CZ), SFDH (HR), FH (HU), FFM (MX), KKM (MY), Felikat (NL), CPF (PT), FFS (SK).
- **Mr Jürg Keller-Friškovec (CH)** nominated by FFH (CH), 1.DEKZV e.V. (DE), FD (DK), SK (FI), Kynjakettír (IS), LFA-Bubaste (LT), NRR (NO), FAF-FR (RO), SVERAK (SE) and ZFDS (SI).

The result was **16 votes** for Mr v/d Haterd, **23 votes** for Mr Keller-Friškovec and **1 abstention** and thus, **Mr Jürg Keller-Friškovec** was duly elected as Treasurer for a period of three years.

b) Election of a Vice President for a period of 3 years

Candidates in alphabetical order:

- **Mrs Donatella Mastrangelo (IT)** nominated by FBe (BE) and Felikat (NL).
- **Mr Veikko Saarela (FI)** nominated by SK (FI), KKÖ (AT), ČSCH-SCHK (CZ), 1. DEKZV e.V. (DE), FD (DK), SFDH (HR), FH (HU), Kynjakettír (IS), LFA-Bubaste (LT), KKM (MY), NRR (NO), FAF-FR (RO), SVERAK (SE) and FFS (SK),
- **Mr Dietmar Sagurski (DE)** nominated by ÖVEK (AT) and FFM (MX).

Mrs Mastrangelo decided to withdraw her candidature.

The result was **29 votes** for Mr Saarela, **10 votes** for Mr Dietmar Sagurski and **1 invalid vote**. Thus, **Mr Veikko Saarela** was duly elected as Vice President for a period of three years.

c) Election of 2 Controllers for a period of 3 years

Candidates in alphabetical order:

- **Mr Hans Boskär (SE)** nominated by SVERAK (SE), FD (DK), Kynjakettír (IS) and NRR (NO).
- **Mr George Dorgiakis (GR)** nominated by FFG (GR).
- **Mr Timo Kanninen (NL-Felikat)** nominated by Felikat (NL), FBe (BE), 1.DEKZV e.V. (DE).
- **Mrs Marie-France Pohl (LU)** nominated by LCC-FFL (LU), FBe (BE), 1. DEKZV e.V. (DE), SFDH (HR), LFA-Bubaste (LT) and CPF (PT).

The result of the first round was **17 votes** for Mr Boskär, **10 votes** for Mr Dorgiakis, **21 votes** for Mr Kanninen, **21 votes** for Mrs Pohl, and **11 abstentions**.

Thus, **Mr Timo Kanninen and Mrs Marie-France Pohl** were duly elected as Controllers for a period of three years.

d) Election of 2 Assistant Controllers for a period of 3 years

Candidates in alphabetical order:

- **Mr Hans Boskär (SE)** nominated by SVERAK (SE), Kynjakettír (IS) and NRR (NO).
- **Mr George Dorgiakis (GR)** nominated by FFG (GR), 1.DEKZV e.V. (DE), LFA-Bubaste (LT), KKM (MY) and CPF (PT).

Since Mrs Pohl and Mr Kanninen were already elected as Controllers, there were 2 candidates for the position of Assistant Controller. The result was **35 votes** for Mr Boskär **31 votes** for Mr Dorgiakis and **14 abstentions**. Thus, **Mr Hans Boskär and Mr George Dorgiakis** were duly elected as Assistant Controllers for a period of three years.

20. Applications for full membership (qualified - ¾ majority)

No applications submitted

Mrs Gabrielle Amsterdam asked for the floor and said she would like to make a short statement, which she wished to be minuted. Earlier today, LCC-FFL asked for secret voting during the entire General Assembly. According to our Statutes, we have to comply with this. However, no request of any Member should deprive all other Members of their right to show their votes publicly. Nowadays, transparency is more and more demanded in society, not only from governments and businesses but also from associations. All of us here, at least I hope, are representing our individual members and their opinions. I for one, would like to be able to be transparent and not only push a button on a machine, but also show my vote publicly and I hope many of you will follow my example to do this as well. To this end, I prepared a little something for you, some nice, coloured cards, in red and green will be handed out to you. Green for yes, red for no and if you want to abstain, you can show the back of a card. I truly hope that many of you will join and show the voting cards after voting. This was met with applause.

The President thanked Felikat for preparing this and she saw no problem if delegates wanted to show their votes, but this would not be minuted. She emphasized this could only be done after the voting on the voting machines was done.

22. Information on the World Cat Congress (WCC)	
The President had submitted a report about the 2024 WCC Meeting in Thailand. This report would be attached to the Minutes as Annex 16 . The next WCC Meeting would be hosted by CFA in 2025; at this moment in time, no more information was available.	
23. Miscellaneous	
There were several speakers and suggestions but no one asked their words to be minuted.	
24. Close of the General Assembly	
The President asked Leo van de Haterd to come forward and she thanked him for all the work he had done in the 27 years working for FIFe. The General Secretary stated that it was a bit painful, but the Board wished to give Leo the FIFe Medal of Merit, which were in Leo's care. Then he told Leo one of these Medals was for him for all the work he has done and was still doing.	
Finally, the President expressed her appreciation to KKÖ one more time for organising and excellent Assembly and she thanked everyone for the good atmosphere and good comments. Then, at 19.15 hours, she declared the 2024 General Assembly in Parndorf, Austria, officially closed.	

By order of the Board,

Annette Sjödin - President

Eric Reijers - General Secretary

Bette Lind - Supervisor of the English version of the Minutes

NL	Mundikat	Proposal 1	Statutes / General Rules	
Ombudsman			(new chapter)	

Mundikat proposes that FIFe appoints an Ombudsman.

The FIFe Ombudsman will deal with complaints about members of FIFe.

The FIFe Ombudsman conducts inquiries into cases of maladministration by members of FIFe or on the basis of complaints from members of a FIFe member.

All FIFe members, clubs and Federations fall under the jurisdiction of the FIFe Ombudsman. All parties must cooperate with the investigation. The FIFe Ombudsman is a second line provision. This means that the complaint or problems must have gone through all available procedures. Only when the proper procedures do not result in a solution the FIFe Ombudsman can deal with the complaint. If the FIFe Ombudsman does not obtain the assistance requested, the Executive Board is to be informed, which takes appropriate action.

The Ombudsman is elected by the GA for the duration of 6 (six) years. He can only be re-appointed once, for a second term of 6 (six) years. The Ombudsman receives an annual remuneration, set by the FIFe GA.

The FIFe Ombudsman must:

- Be completely independent and impartial in the exercise of their duties.
- Refrain from any act incompatible with his duties.
- Not fulfil any function within a FIFe Federation or FIFe Club or any arbitration function in another organization that is Cat Fancy related.

- Not engage in any other function deemed undesirable to perform his duties as an impartial party.

The General Assembly may discharge the FIFe Ombudsman if:

- He no longer fulfils the conditions required to do his duties or is guilty of serious misconduct.
- When he has reached the age of 70 years or at own request.
- When he becomes incapable, e.g. because of bad health, to perform his duties
- When he accepts a function that is in conflict or incompatible with his or her duties
- When he no longer resides in a country where a FIFe member is residing
- When the GA concludes that his actions or the lack thereof are detrimental to the trust bestowed the FIFe Ombudsman.

The FIFe Board may suspend the FIFe Ombudsman for a period of 3 months when there are strong convictions, facts or circumstances that could lead to discharge by the GA. The suspension automatically stops after three months and may be prolonged for a period of three months at a time. The GA can decide not to grant the FIFe Ombudsman a remuneration for the period he was suspended.

The FIFe Ombudsman has no authority to investigate when there is a possibility for an appeal regarding the matter or when the matter can be handed to the Disciplinary Commission of FIFe.

If this proposal is accepted, a chapter for the Ombudsman needs to be inserted in the General Rules:

Complaints can only be dealt with by the FIFe Ombudsman when it complies with the following conditions:

- The request and the documentation is dated and signed and submitted in the English language.
- The complaint is regarding an organization within FIFe.
- A complaint has been made with the concerning organization first, but without any proven result. Unless it is not reasonable to expect this in the matter at hand.
- The handling of this complaint took place no longer than one year ago and there is no possibility for an objection or an appeal.
- The complaint does not consider the content of any rule or regulation (but it may consider the application of such a rule or regulation) or the ruling of any Disciplinary Body.
- Comprises a detailed description of the behaviour, the person(s) who conducted this behaviour and the name of the injured party if not the requestor
- The causes for the request are clearly stated and is accompanied with documentation regarding the procedure of the complaint, the results of the investigation by the organisation and the decision of the organisation and the consequences based on this conclusion.

Should the requirements of this article not be met, the FIFe Ombudsman may grant the requester time to enable him to meet all requirements. The FIFe Ombudsman sets this period.

The FIFe Ombudsman is not obliged to start an investigation when:

- The request does not meet the requirements specified.
- The request is unfounded or has no significant interest or the behaviour of the organisation is not very significant
- The request concerns a matter for which an appeal or objection could be made or for which another authority delivered a ruling
- The request concerns an action or behaviour that is or was dealt with by the FIFe Ombudsman, unless there are new facts that could result in a different decision.

Organizations do not need to pay a case fee for the first complaint against them that is dealt with by the FIFe Ombudsman in each financial year. From the second complaint onwards, organizations must pay a fee when the Ombudsman handles a complaint against them. If a case needs to be investigated it becomes a chargeable case, regardless of outcome. This fee is set by the GA and included in Annex 1 of the General Rules.

CORIN			(new)

1. Corin modifier is meant as a generic EMS code for colours that have already been given colour names by breeders within FIFe and in other organisations (copper, akita, sunshine etc). These names will be included in the individual breed standards.

2. The EMS system has always been a system based on phenotype. However, there is certain genetic information that can be important for breeding. It is therefore proposed that the FIFe Breeding and Registration Commission develop an additional coding system whereby the various Corin mutations can be added to the pedigree (not as part of the EMS Code itself).
3. The only method described in the FIFe Rules for changing the EMS Code of a cat is to enter it into Class 13C. Other methods of changing the colour by genetic testing proof need to be evaluated.

JBS – Removal restriction of silver				

~~Silver~~, shaded, shell, golden, ticked tabby and pointed (i.e. EMS-codes ~~s~~, y, 11, 12, 25, 31, 32 and 33) are not permitted in the Japanese Bobtail Shorthair (JBS) and must be registered as XSH * <JBS>.

Remark: If this proposal is carried, FIFe Breed Standard JBS (coat colour) must also be changed.

The General Secretary asked for the floor and said he would minute this statement. He said that it had been a long painstaking search but the Board established the following. At the GA 2010 a decision was made to copy colour restrictions of breeds as listed in the standards and to insert these in the BRR. In the case of JBS, the words that were copied were the same but the transcription was different. The 2010 Standard stated for JBS, that “All colour varieties were permitted, except silver (shaded/shell), golden, ticked tabby and pointed – i.e. s/y 11, 12, 25 and 31, 32, 33.” The 2010 standard did not mention that silver tabbies or smoke were not allowed for the recognised colour varieties in JBS. Of course, there were not so many JBS/JBL-non bred or shown, so this went unnoticed for a very long time.

He ended by saying that Mundikat’s proposal 2 should be withdrawn and BRR article 6.8 needed to be corrected to the wording above. The varieties silver tabby and smoke were fully recognised in the JBS

Removing special codes for registration – the use of brackets and their meaning				

§ 5.1.2.1 The use of brackets and their meaning

The meaning of the different types of brackets used in EMS codes to indicate differences in breeding status:

Bracket type	Breeding and registration restrictions
(XXX)	Target breed – Can be used for breeding, can be re-registered (→ § 9.1)
[XXX]	Breeding program – Can be used for breeding, cannot be re-registered
<XXX>	Originating breed – Cannot be used for breeding, cannot be re-registered

XXX means EMS code for the relevant breed

Target breed: (XXX)

An indication of the final goal of a breeding program. All cats in the breeding program must be identified by this to show which breed is the final goal – the target breed.

Cats with this indication can be shown in the Control class (class 13b) to establish if the standard of the target breed has been reached (→ § 9.1).

This type of brackets is also used for Novice cats which can be shown in the Novice class (class 13a) in order to obtain re-registration (→ § 9.2).

Breeding program: [XXX]

Indication for cats which can take part in a breeding programme but cannot be re-registered and cannot be shown in the Control class (class 13b).

Originating breed: <XXX>

Indication for cats belonging to a non-standard variety, which is prohibited in the standard of a breed, but born out of two purebred cats – i.e. both parents must be of the same breed. These cats cannot be used for breeding, cannot be re-registered and cannot be shown in the Control class (class 13b).

FIFe	SC, Board, JSC, DC, PRC, HWC	Proposal 1	Show Rules	§ 1, § 1.1, § 1.2, § 1.2.1, § 1.2.2
General, Cat Shows, Code of Ethic for Exhibitors, Principles being the Exhibitor at FIFe Shows, Code of Ethic and responsibility of a FIFe Member (new)				

1. General

1.1 Cat Shows

Cat shows are one of the most important promotion events and the presentation of the cat fancy. Besides web sites and social media, cat shows are the most important tools of cat fancy to educate the public about cats of domestic origin, pedigreed or not, and to promote the welfare and a good life for all cats. Information about the cat fancy brought to the community through newspapers, radio, television and social media will normally take place in connection with local cat shows. A cat show is the arena where many potential cat fanciers become active after having been a visitor. Cat shows are also the place where the exhibitors from different international Members meet, where they compete with their cats and where they have the possibility to exchange experiences with each other.

1.2 Code of Ethics for Exhibitors

1.2.1 Principles being the Exhibitor at FIFe Shows

Exhibitors are, besides the cats themselves and the FIFe Judges, one of most important promoters of the cat fancy and have great responsibilities toward the values and principles promoted by the Federation.

Exhibitors, whether only exhibitors or also breeders, are usually the first contact and their behaviour and attitude are among the first impressions people outside the cat fancy experience. They are expected to:

- show knowledge about cats and breeds, about the welfare of cats, about how to take proper care of them and their needs, and the understanding of a cat's behaviour
- show knowledge about FIFe and understanding of the basic values and principles identifying the organisation,
- be able to communicate with other exhibitors and other people (e.g. visitors, judges, show organizers) always in a respectful manner, showing tolerance towards each other, despite possible differences, different opinions and different cultural and educational backgrounds; always maintain self-control, support each other in our common interests and goals, and never engage in transgressive behaviour (e.g. harassing, bullying or threatening etc.),
- demonstrate a welcoming atmosphere in the show hall and on social media to influence the public's positive opinion and attitude towards cats, encourage others to become interested in cat fancy and to join us in common goals for the welfare of cats.

1.2.2 Code of Ethics and responsibility of a FIFe Member

Exhibitors and Breeders are representatives of FIFe and the FIFe Member they belong to and shall conduct themselves as such.

They shall always display a considerate and caring attitude and courteous behaviour whether verbal, written and/or as demonstrated by physical actions.

Whether exhibiting or visiting a show, they shall not cause disruption during or after the show. Social media is considered an extension of the physical public space and respectful behaviour is expected there as well. Exhibitors and Breeders are the responsibility of the Member to which they belong.

The Member is responsible to act against such Exhibitors and Breeders who do not respect this code of ethics, whether such behaviour is officially lodged in a complaint. or only reported or noticed. This applies to any inappropriate behaviour in connection with cat shows, as well as on social media.

Remark: If this proposal is carried, renumber articles under existing article 1, the organisation of national and international shows to 1.3 The organisation of national and international shows and all sub articles of 1.3.1.

This code of Ethics would be valid with immediate effect after the General Assembly.

Global software			

FIFe currently has 41 members in 39 countries and each of them uses its own software for managing its exhibition data.

Since all these computer programs are different and not interconnected it would make sense to set up a joint system for all member countries in order to standardize the software internationally and enhance communication between member countries.

The software creation could be financed by a one-off payment to FIFe from about EUR 500 to EUR 1000 per member. This amount (from about EUR 21000 to EUR 42000) would enable FIFe to have the necessary program set up professionally.

A single system would facilitate not only the registration of titles obtained with certificates from abroad but also the approval of registrations to exhibitions abroad.

All documents would be standardised worldwide and a server with a database of all FIFe-registered cats would be available to all members.

Each member would pay a lump sum and could possibly divide the cost over its individual clubs.

Some countries already have good programs. One of these could be upgraded to become the global program used and financed by all requesting members

Motivation

In the years of WCC membership, FIFe Members have not had many benefits from the WCC membership.

Mrs. Donatella Mastrangelo asked for the floor and said she would like to read out a statement, agreed by all 6 FIFe Commissions and she wanted this statement to be minuted.

Statement from the FIFe Commissions on the proposal from the Board to leave the WCC.

FIFe Commissions discussed the proposal from the Board to leave WCC and want to point out that they are all not in favour of such proposal for a variety of reasons. The most important lays in the fact that, as never before now we need to find a way to cooperate with the other major federations.

The present situation, especially in Europe, where animal protection lobbies try to disrupt our hobby, needs a joint effort finding a common ground to be able to react and give answers to the many and mostly unfounded accusations we receive. Breeds and breeders affected by this disruption have no cat fancy borders, and we cannot succeed without working, fighting together.

In our opinion, the interaction with other federations, clubs and associations of the cat fancy world should be conducted with an open and cooperative approach. It should be considered as a valuable resource for improving our knowledge, sharing our experiences and get the best out of each member, notwithstanding our differences and peculiarities.

In our opinion, leaving WCC now would put FIFe into an isolated, closed box, unable to stand as an important part, or rather the leader of the cat fancy's world.

We are of the opinion that we should not sit in the WCC forum just to check what others are doing. FIFe is the creator of the WCC and must be represented by those who can dedicate their time, passion and skills to it, remaining faithful to those inspiring principles of cooperation, being directly involved and promoting shared activities in favour of our breeds and breeders, and refrain from drawing boundaries.

CORIN

-u

	CORIN is a generic term to describe a modifier, which is only available for use with agouti cats. CORIN affects eumelanin (black pigment) production into the cat's hair and is not available for use with red and cream cats. The EMS codes 'd' and 'e' may not be used with CORIN. CORIN is an autosomal recessive trait and is only recognised in the following breeds: SIB/NEM, BLH/BLH, KBL/KBS. The names used for the modifier in the different breeds are contained in the breed standard.	CORIN ist ein Oberbegriff für einen Modifikator, der nur für die Verwendung bei Agouti-Katzen verfügbar ist. CORIN beeinflusst die Produktion von Eumelanin (schwarzes Pigment) im Katzenhaar und ist nicht verfügbar für Verwendung bei roten und creme Katzen. Die EMS-Codes 'd' und 'e' dürfen bei CORIN nicht verwendet werden. CORIN ist ein autosomal-rezessives Merkmal und ist nur bei folgenden Rassen anerkannt: SIB/NEM, BLH/BSH, KBL/KBS. Die Namen, die für den CORIN-Modifikator in den verschiedenen Rassen verwendet werden, sind im Rassestandard enthalten.	CORIN est un terme générique pour décrire un modificateur qui sera disponible que pour les chats agouti. CORIN affecte uniquement la production d'eumélanine (pigment noir) dans les poils du chat et n'est pas disponible pour les chats roux et crèmes. Les codes EMS "d" et "e" ne peuvent pas être utilisés avec CORIN. CORIN est un trait autosomique récessif et n'est reconnu que dans les races suivantes : SIB/NEM, BLH/BSH, KBL/KBS. Les noms utilisés pour le modificateur dans les différentes races figurent dans le standard de la race.

General/ Allgemein/ Généralités	<i>Origin/ Herkunft/ Origine</i>	The Maine Coon is a natural breed of amiable character that traces its origin to the working cat found on the farms of Northeast America.	Die Maine Coon ist eine natürliche Rasse mit liebenswürdigem Charakter, die ihren Ursprung in den "working cats" der Farmen von Nordost-Amerika hat.	Le Maine Coon est une race naturelle, au caractère agréable. Les fermiers d'Amérique du Nord Est les ont utilisés pour leurs capacités de chasseur.
	Appearance/ Gesamtein- druck/ Apparence	The breed of the Maine Coon is large framed with a square outline of the head, large ears, broad chest, solid bone structure, a long, hard muscled, rectangular body and a long flowing tail. Good muscle tone and density give the cat the appearance of power and robustness. <i>The Maine Coon should always be in good balance and proportion with no feature of the cat being exaggerated.</i>	Die Rasse der Maine Coon ist großformatig, mit kantigem Kopfumriss und großen Ohren, breitem Brustkorb, starkem Knochenbau, einem langen hart bemuskelten rechteckigen Körper und einem langen wehenden Schwanz. Gute Muskelspannung und Festigkeit geben der Katze einen Ausdruck von Kraft und Robustheit. <i>Die Maine Coon sollte immer in guter Balance und Proportion sein ohne dass ein Merkmal der Katze übertrieben wird.</i>	Le Maine Coon est un grand chat aux contours de tête anguleux avec de grandes oreilles. La poitrine est large. L'ossature est solide, le corps est long et rectangulaire, très musclé, la queue est longue et flottante. La fermeté et la densité des muscles donnent à ce chat une apparence de puissance et de robustesse. <i>Le Maine Coon doit toujours être en bon équilibre et en bonne proportion sans qu'aucune caractéristique du chat ne soit exagérée.</i>

Head/ Kopf/ Tête	Shape/ Form/ Forme	Medium in size <i>to the body</i> ; squared outline. <i>Upper part of the head broader than the muzzle.</i> <i>Enough height to create a</i> profile with a gentle concave slope. <i>Mature males may have larger and broader heads than females</i>	Mittelgroß <i>für den Körper</i> ; kantiger Kopfumriss. <i>Der obere Teil des Kopfes ist breiter als die Schnauze.</i> <i>Ausreichend hoch, um ein</i> Profil mit einer sanften konkaven Neigung <i>zu erstellen.</i> <i>Vollentwickelte Kater können größere und breitere Köpfe als Kätzinnen haben.</i>	De taille moyenne <i>par rapport au corps</i> , au contour carré. <i>La partie supérieure de la tête est plus large que le museau.</i> <i>Hauteur suffisante pour créer un</i> profil avec une légère courbe concave. <i>Les mâles adultes doivent avoir la tête plus grande et large que les femelles.</i>
	Chin/ Kinn/ Menton	Firm, <i>broad and deep enough to complete the square outline of the muzzle.</i> In vertical alignment with nose and upper lip.	Fest, <i>breit und tief genug, um den quadratischen Umriss der Schnauze zu vervollständigen.</i> In senkrechter Linie mit Nase und Oberlippe.	Ferme, <i>suffisamment large et profond pour compléter le contour carré du museau.</i> Forme une ligne verticale avec le nez et la lèvre supérieure.
Ears/ Ohren/ Oreilles	Shape/ Form/ Forme	Large, wide at the base, <i>straight outlines and moderately pointed.</i> <i>In adults not higher than 1 and half time the width of the base.</i> Lynx-tufts are desirable. Tufts of hair in the ears extend beyond outer edges of ears.	Groß, breit am Ansatz, <i>gerade Umriss und mäßig spitz zulaufend.</i> <i>Bei Erwachsenen nicht höher als das Anderthalbfache der Breite der Basis</i> Luchs-Pinselchen sind erwünscht. Haarbüschel in den Ohren ragen über den äußeren Ohrenrand hinaus.	Grandes, larges à la base, <i>aux contours droits et moyennement pointus.</i> <i>Chez les adultes, pas plus de 1 fois et demie la largeur de la base.</i> Des plumets sont souhaités. Des touffes de poils intérieurs dépassent du bord extérieur des oreilles.
	Placement/ Platzierung/ Placement	Set <i>fairly</i> high on head with an <i>very slight</i> outward tilt. between <i>set at eleven and one o'clock.</i> Ears should be placed one ear's width apart. The width extends slightly in older cats. Lower base set just slightly further back than upper base.	<i>Sitzen ziemlich hoch auf dem Kopf, mit einer nach außen gerichteten Neigung, nach zwischen platziert auf 11 und 1 Uhr.</i> Der Ohrenabstand sollte eine Ohrbreite sein. Der Abstand wird bei älteren Katzen etwas größer. Der untere Ansatz ist etwas weiter als der obere Ansatz nach hinten versetzt.	<i>Attaché assez haut sur la tête avec une inclinaison vers l'extérieur, entre placer à onze heures et une heure.</i> La distance entre les oreilles devrait être de la largeur d'une oreille. Cette distance s'agrandit quand les chats prennent de l'âge. La base inférieure de l'oreille est placée légèrement en arrière par rapport à la base supérieure.
Eyes/ Augen/ Yeux	Shape/ Form/ Forme	<i>Oval</i> , large <i>and expressive.</i> Appear round when wide open. Widely <i>and not deep</i> set. Slightly oval, but not almond-shaped. Set slightly slanted towards the outer base of the ear.	<i>Oval</i> , Groß und <i>ausdrucksstark.</i> Erscheinen rund, wenn sie weit offen sind. Weit auseinanderstehend <i>und nicht tief angesetzt.</i> Leicht oval, aber nicht mandelförmig, erscheinen rund, wenn sie weit offen sind. Leicht schräg in Richtung äußerem Ohransatz gesetzt.	<i>Ovales</i> , grands et <i>expressives.</i> Paraissent ronds quand ils sont bien ouverts. Bien écartés <i>et pas enfoncés.</i> Légèrement ovales, mais pas en forme d'amande. Placés légèrement en oblique vers la base extérieure de l'oreille.

Coat/ Fell/ Fourrure	Structure/ Struktur/ Structure	All weather coat. Dense. General/ Allgemein/ Généralités	<i>The Sphynx is a sweet-tempered cat, lively, intelligent and amenable to handling.</i> Medium, surprising weight for its size.	<i>Die Sphynx hat einen lieben Charakter, sie ist lebhaft, intelligent und unkompliziert im Umgang.</i> Mittelgroß, für ihre Größe überraschend schwer.	<i>Le Sphynx est très gentil, actif, intelligent et très facile à manipuler.</i> Moyenne, étonnement lourd pour la taille.
Texture/ Textur/	Appears hairless, may be covered with short, fine down. Chamois-like, a feeling of resistance may be felt when stroking the skin of some cats. <i>Short, soft, fine hair is allowed on the feet, across the bridge of the nose and cheekbones, at the back of the ears, the scrotum and the tip of the tail.</i>	Erscheint haarlos, kann mit einem kurzen, feinen Flaum bedeckt sein. Wildlederähnlich, wenn man über die Haut einiger Katzen streicht, hat man das Gefühl, als ob die Haut Widerstand bieten würde. <i>Kurze, weiche, feine Haare sind auf den Füßen, dem Nasenrücken und den Backenknochen, auf der Rückseite der Ohren, dem Hodensack und an der Schwanzspitze erlaubt.</i>	Semle n'avoir aucun poil, peut être recouvert d'un très léger duvet, comme une peau de chamois, une sensation de résistance peut être rencontrée quand on caresse la peau de certains chats <i>Des poils, fins, courts et doux sont permis au niveau des pattes, au niveau du dessus du nez et des pommettes, à la base arrière des oreilles, le scrotum et l'extrémité de la queue.</i>
Wrinkles/ Falten/ Rides	Wrinkled skin desirable especially around the muzzle, between the ears and around the shoulders, although wrinkling should not be so pronounced that it affects the cat's normal functions. Short, soft, fine hair is allowed on the feet, across the bridge of the nose and cheekbones, at the back of the ears, the scrotum and the tip of the tail.	Hautfalten sind besonders rund um die Schnauze, zwischen den Ohren und rund um die Schultern wünschenswert. Die Falten dürfen jedoch nicht so ausgeprägt sein, dass sie die normale Funktion der Katze beeinträchtigen. Kurze, weiche, feine Haare sind auf den Füßen, dem Nasenrücken und den Backenknochen, auf der Rückseite der Ohren, dem Hodensack und an der Schwanzspitze erlaubt.	Un peau bien ridée est souhaitée, particulièrement autour de museau, entre les oreilles et autour des épaules. Mais les rides ne doivent être prononcées au point d'affecter la santé du chat. Des poils, fins, courts et doux sont permis au niveau des pattes, au niveau du dessus du nez et des pommettes, à la base arrière des oreilles, le scrotum et l'extrémité de la queue.

<i>Faults precluding the certificate/ Fehler, die das Zertifikat ausschließen/ Défaits excluant le certificat</i>	<i>Any means of hair removal</i>	<i>Jeglicher Hinweis auf entfernte Haare</i>	<i>Toute impression de poils enlevés</i>
